DALE UNDERWOOD, ED.D. EXECUTIVE DIRECTOR

Dear

Gulf Coast Trades Center's (GCTC) 4th Annual Tournament of Tomorrow Golf Tournament will take place on **Saturday, September 16, 2017 at 9 a.m. at Westwood Shores Country Club Trinity, TX.** We invite you to join us for a round of golf!

The event will benefit GCTC; a residential campus that houses at-risk youth between the ages of 15-18. The residents are sent to this spacious 57 acre facility located in the middle of the Sam Houston National Forest in New Waverly, Texas as an alternative to juvenile detention or through Child Protective Services for a stay of approximately 6-9 months.

During their stay at GCTC the residents are given the opportunity to earn a trade in culinary arts, building trades, auto mechanics, horticulture, and business information management which will help them to lead productive lives in the workforce after discharge. They also can earn a high school diploma or a Certificate of High School Equivalency and receive driver's education. As a result, our residents can leave our program able to lead productive and rewarding lives.

We would greatly appreciate your participation!

There are several ways you may get involved
